The Bulgarian Society of Construction Law is pleased to invite you to participate in the **Second Eastern European Regional Conference of Construction Law Societies – "Construction Across Borders",** which will take place on **22–23 April 2027 in Sofia, Bulgaria.**

The conference is organized with the support of the **European Society of Construction Law (ESCL)** and in partnership with the **Construction Law Societies of Serbia, Romania, Türkiye, Poland and Hungary.** It will bring together leading experts, representatives of the construction industry, legal professionals, public authorities and academia from Bulgaria and abroad to discuss the key challenges facing the construction sector in an evolving international environment. The programme will cover international construction contracts and standards, risk management, dispute resolution, sustainability, and other current issues affecting the industry.

We are confident that your support will play an important role in advancing the continued development of construction law. As a conference sponsor, your organization will have the opportunity to present its expertise and services to a highly qualified international audience, expand its professional network, and strengthen its presence among leading stakeholders in the construction sector.

We offer a range of sponsorship packages tailored to different levels of engagement and would be pleased to discuss the available partnership opportunities and provide any additional information you may require.

We look forward to welcoming you as a valued partner of this prestigious international event.

Yours sincerely,
Victoria Penkova
Chair of the Management Board, BSCL
